SPECIAL PROVISIONS

SCOPE OF WORK

The scope of this project shall include construction of Two 40' long I-beam bridges with a concrete deck on a GRS Abutment. The beams will be provided by the County at the site. The County will remove the existing bridge and construct the embankment and approach guardrail. The unit price bid shall include all labor and materials, except for the beams, required to complete the bridge in accordance with the enclosed plans and specifications. Plan quantity does not include cut off, lap, or waste. The Contractor shall adjust the bid price to account for any cut off, lap, or waste.

The contractor shall be responsible for all underground utilities. Call OKIE at 1-800-522-6543 two days prior to beginning construction.

STANDARD SPECIFICATIONS

All work shall be performed in accordance with the "Standard Specifications for Highway Construction", Oklahoma State Highway Commission, 2019 Edition, except as modified herein. The aforementioned specifications are hereby incorporated by reference and shall have full force and effect as though printed herein.

For the purposes of this contract, Lincoln County shall be substituted for "Commission" where it appears in the specifications and "the Engineer" shall mean EST, Inc., 615 N. Hudson Ave., Suite 300, Oklahoma City, Oklahoma 73102.

CERTIFICATIONS AND TEST REPORTS

The contractor shall be responsible for furnishing the necessary certifications and tests reports for materials used in this project to the Engineer. No material for which a certification or test report is required by these specifications shall be incorporated into the work until a satisfactory certification or test report has been received and approved by the Engineer.

Construction testing will be performed by the Contractor. Copies of all test reports shall be provided to the County and the Engineer.

TIME OF COMPLETION

All work included in this contract shall be completed within ninety (90) calendar days. Rates for liquidated damages for this project will be \$500.00 per calendar day.

BASIS OF MEASUREMENT AND PAYMENT

Payment will be made at the unit price bid. The price bid shall include all labor, materials and equipment necessary to complete the bridge.

Lincoln County shall make three (3) payments for each bridge to the Contractor in the following manner: one payment will be made when the abutments are complete, one payment will be made when the superstructure is complete and the final 10% will be paid when the construction is accepted by Lincoln County. The Contractor will furnish to the County a statement for all materials and labor for each claim. The statement will include proof of payment of all labor and materials used up to such statement date. The County will review and verify all costs before processing for payment.

REQUIREMENTS

The Contractor shall furnish:

- 1 - Performance Bond
- 2- One Year Maintenance Bond
- 3- Certificate of Insurance
- 4 - Statutory Bond
