(DBE quote must be attached)

DBE Signature _____

Title _____

Date _____

Prime Contractor Signature _____

Title _____

Date _____

Signatures of Authorized representatives of the Prime Contractor and the DBE firm above represent the written commitment by the Prime Contractor to subcontract with the DBE firm and a written commitment by the DBE firm to subcontract for work as described in the attached quote. The following are required to be included in your packet as described in 49 CFR 26.53:

- **The names and addresses of DBE firms that will participate in the contract;**
- **A full description of the contract work that each DBE will perform; and**
- ***The dollar amount of the participation of each DBE firm that is supported by the DBE bid. Each item description, quantity, price, amount, and total must be mathematically reflected and equal the total participation amount identified in your bid documents.**

This form and the DBE's quote must be received no later than ODOT's close of business on the Wednesday following the bid opening. If not received, bid shall be considered nonresponsive and will be rejected by ODOT.
