

NOTICE OF REMOVAL HEARING

All interested persons are hereby given notice that the Oklahoma Department of Transportation will be conducting a public hearing to comply with Section 503, Title 69, O.S. to consider removing from the State Highway System US 377, SH 99 and SH 3E from the City of Ada extending north of Byng in Pontotoc County

Remove SH 3E designation from SH 1, beginning from the junction of US 377 in Ada and extending west approximately 1 mile to a tie with the new construction.

Remove from the State Highway System a portion of US 377, SH 99 & SH 3E, beginning at the junction of SH 1 in Ada and extending north approximately 8.3 miles to the new construction north of Byng in Pontotoc County. This segment of US 377, SH 99 and SH 3E, including right-of-way determined by the Department, will be transferred to the local jurisdiction for further maintenance or abandonment.

Add US 377 & SH 99 designations to SH 1, beginning from the junction of US 377 in Ada and extending west approximately 1 mile to a tie with the new construction.

Add to the State Highway System a segment of new highway to be designated US 377, SH 99 & SH 3E, beginning at a tie with the junction of SH 1 in Ada and extending north approximately 8.5 miles on new alignment to a tie with the existing facility north of Byng in Pontotoc County.

If any person wishes to attend the public hearing, it is scheduled to be held 10:00 a.m. September 30, 2005 at the Oklahoma Department of Transportation Division 3 Conference Room, located 3 miles northwest of Ada on SH-3W. For questions or any additional information, contact Mr. Gary Wallis at (405) 521-3385.
